The South Carolina Office of Regulatory Staff ("ORS") completed a review of the proposed amended tariff of Glaser & Sons and submitted its findings to the Commission on November 18, 2014. From the comparison report completed by ORS of the tariff

increases proposed by Glaser & Sons to the South Carolina Tariff Bureau's (SCTB) rates, it appears that the increases proposed correspond to the current rates and charges used by the SCTB. Additionally, according to ORS's review, the Company is in compliance with all reporting requirements and no complaints have been filed against the Company within the past twelve months.

Having considered the Application and the results of the ORS study, we conclude that the amendments proposed by Glaser & Sons are just and reasonable for the Company and its customers. Accordingly, the Application of Glaser & Sons for amendments to the Company's current tariff should be approved.
